- Git, GitHub, npm, Postman, Agile, Scrum
- Responsive design, unit testing, E2E testing, problem solving

EXPERIENCE

ORLAN   June 2024 - Present
Frontend Developer   On-site (Ashgabat, Turkmenistan)

- Developed and maintained high-impact recruiting platform using React and TypeScript, directly contributing to a 75% increase in user engagement across HR dashboards and reporting tools.
- Improved application performance by optimizing components and implementing lazy loading with React Query resulting in 30–40% faster load times.
- Participated in code reviews and testing workflows to maintain clean, reliable, and maintainable code.
- Spearheaded UI/UX improvements that helped win 3 new B2B clients in the HR outsourcing sector.

Breakthrough Academy   May 2023 - June 2024
Frontend Developer   Remote (Johor Bahru, Malaysia)

- Built user interface for HR and consultation platform using React, ensuring accessibility and cross-browser compatibility.
- Integrated over 30+ REST APIs with error handling, authentication, and smooth UI flows, enhancing data reliability and user trust.
- Worked closely with product managers and designers to implement UI updates that led to a 20% increase in client satisfaction scores.

Grab Malaysia (Internship)   February 2023 - April 2023
Web Developer   On-site (Petaling Jaya, Malaysia)

- Acquired skills in building and testing RESTful APIs using JavaScript and Node.js to support internal tools, enabling smoother communication between frontend and backend systems.
- Used MongoDB for data modeling and querying, supporting internal features that managed thousands of daily records.
- Contributed to frontend development with Vanilla JavaScript and templating tools, ensuring responsive layouts and consistent UI behavior.
- Collaborated with backend engineers to implement input validation and error handling, reducing API response issues by over 30% during testing.

EDUCATION

Universiti Tenaga Nasional   Oct 2019 - July 2024
Bachelor of Information Technology (Visual Media)   Cumulative GPA: 2.99 / 4.00
